Respondent.	)	

ORDER

On February 28, 2014, the United States Magistrate Judge's Recommendation was filed and notice was served on the parties pursuant to 28 U.S.C. § 636. Petitioner filed objections [Doc. #133] to the Recommendation within the time limit prescribed by Section 636. The Court has reviewed Petitioner's objections *de novo* and finds they do not change the substance of the United States Magistrate Judge's Recommendation [Doc. #131] which is affirmed and adopted. To the extent Petitioner subsequently filed a Motion [Doc. #134] to obtain documents, that request will be denied in light of the Court's determination here.

IT IS THEREFORE ORDERED that Petitioner's Motion under Rule 60(d)(3) [Doc. #105] and Motion for Clarification [Doc. #126] are DENIED, that Petitioner's Motion to Produce Complete Documents [Doc. #134] is DENIED, and that finding no substantial issue for appeal concerning the denial of a constitutional right

affecting the conviction, nor a debatable procedural ruling, a certificate of appealability is DENIED.

This the 25<sup>th</sup> day of March, 2016.

/s/ N. Carlton Tilley, Jr.  
Senior United States District Judge
